

# Heritage Garden Homes

The Ryerson Company  
 Sun City West, Arizona  
 1,250 - 1,446 sq. ft. plans  
 37'-6" to 43' wide plans

Located in an age-restricted community with congregate care housing, Heritage Garden Homes have clean, contemporary lines with low-maintenance exteriors. The garages are placed either in the center of the building or at either end in order to vary the street scene. Two one-story plans are offered in paired houses with two or three bedrooms, spacious living areas with gourmet kitchens, and a one-car plus golf cart or two-car garage. The two-car garage plan is available with an optional golf cart garage. The community offers recreational amenities such as a pool and clubhouse, and walking trails with fitness stations to promote an active outdoor lifestyle.
