7000 Series - 65' wide plans

9000 Series - 75' wide plans

Representing the last great opportunity for a luxury master planned golf community in the exclusive Indian Wells community, Toscana is targeted for move-up retirees and second home buyers. Three series of one-story, single family homes were designed with open great rooms in response to a casual entertaining desert lifestyle. The finely detailed homes are oriented to the golf course at the rear and to private entry courtyards, with the option of additional guest casitas. The homes feature up to 3 bedrooms with 3 ½ baths, or with the guesthouse option, 4 bedrooms with 4 ½ baths. In the two series shown, three and four-car garages were standard. Special attention was taken to minimize the impact of the garages on the street scene with classic, yet eclectic Tuscan, Italianate, Spanish Colonial, and Early California elevation styles blended for diversity.
