

Soboba Springs Recreation Center

5,580 sq. ft.

The Recreation Center for the active adult neighborhood of Soboba Springs is a true community center with a large multi-purpose room, billiards/game room, exercise room, card room, library, kitchen, office, changing facilities for the swimming pool, and an abundance of covered patios including one with an outdoor fireplace. The architecture is Spanish style in the scale of a large single family house with a drive-through porte cochere at the front entrance, and a turret enhancing the foyer
