

# The Boulders at Sonoma Ranch

Mesa Associates LLC  
Las Cruces, New Mexico  
1,300-1,800 sq. ft. plans

The Boulders is an exclusive 55+ gated golf course community in Sonoma Ranch. The award-winning homes for active adults combine gracious, open floor plans with contemporary southwest exteriors. The result is subtle elegance and comfortable spaces with low maintenance. Because the homes are situated along the fairway or have views of the rugged Organ Mountains, the designs feature high ceilings and stacked windows on the rear to capture the views. The resort-style clubhouse provides abundant social, leisure, and recreational opportunities to enhance the active adult lifestyle.
