

The Les Bois Rows at Villebois

Costa Pacific Homes

Wilsonville, Oregon

1,471 - 1,665 sq. ft. plans

The Les Bois Row homes are located near the Village Center in a transit-connected community south of Portland. The two and a half story homes have elevated entry and living areas to provide privacy, while multiple porches, patios, and decks increase opportunities for a visual connection to the street and neighborhood. The three floor plans feature 2 bedrooms, 2 ½ baths plus lofts, generous two-car garages with direct access, and large basement storage areas. They are designed in elegant urban French architecture and are characterized by easy, maintenance-free living with gourmet kitchens, optional fireplaces, and master suites with walk-in closets.
