The largest of the three series of homes in Campanile showcases Spanish, Italian, and Traditional styles in three spacious single- and two-story residences. Large verandas or covered patios in the rear provide shaded outdoor living for the desert location, and two of the plans have covered front entry courtyards, as well. The two-story home has a casita with separate entry in the front and a split 3-car garage. The master bedroom suite is on the main floor and upstairs are two additional bedrooms, a bath, and a large loft space. The two single-story homes each have 3 bedrooms and den or library and 2 ½ or 3 ½ baths.
