Costa Pacific Communities

Bend, Oregon

Garage access from street

7,800 sq. ft. lots (50' wide plans)

1,500 - 2,500 sq. ft. plans

Three Craftsman style homes in the golf course community of Broken Top were designed and detailed to be compatible with the predominately custom homes along a premier golf course. The detailing of the rear elevations was just as important as the front since they are facing the course. Designed for empty nesters and retirees, two single-story Great Room homes each have a Den or optional Bedroom 3 and Nook/Morning Room. The two-story home has a main level Master Suite, Great Room and Den with an additional 2nd floor Bedroom and bath as well as an Office/bedroom 3 and Loft space. All of the houses have laundry rooms and oversized garages with space for a golf cart.
