

Playa de La Cruz

Hamilton Realty Investments

La Cruz, Sinaloa, Mexico

Iverson Architects was asked to design the grand entry and one of the neighborhoods for this master-planned community that has zoning for 1,200 single-family home sites, 1,200 condominium units, 3 resort hotel/condo sites, an 18-hole championship golf course, a marina and many other amenities. The property is situated four miles south of the town of La Cruz and equidistant to Mazatlan and Culiacan. The master plan is being amended to add a commercial site and fishing pier.
